How to get it into your Notion

1. Make a free Notion account at notion.com if you don't have one (the free plan works).
2. Click the button above. The template opens in your browser.
3. Click 'Duplicate' (top right). Pick your workspace. It's now yours to edit.
4. Open the 'Start Here' page inside the template. Setup takes about 10 minutes.

What's inside

- Weekly and monthly booking calendar, plus an upcoming list
- Deposits to collect, with balance due worked out for you
- Client profiles with nail notes, visit count and total spent
- Rebook list: who is due back (default every 2 weeks) and has nothing booked
- Income grouped by month, including kept no-show deposits
- Copy-paste message templates for confirmations, deposits and reminders

One license per business. Please don't resell or share the template link. Trouble with the link? Message us through the shop and we'll help.
